Qualifications	NCFE CACHE Level 3 Diploma in the Principles and Practice for Pharmacy Technicians (603/5447/1)
Go-live date	01 August 2020
Useful information	This qualification is suitable for learners aged 16 and above who can meet the entry requirements, as listed in the Qualification Specification and who want to qualify as a Pharmacy Technician. This qualification meets the requirements of the pharmacy regulator (the General Pharmaceutical Council (GPhC)) and meets employer need in England and Wales. On completion of this qualification learners will be able to register with the GPhC as a Pharmacy Technician. This qualification has been designed to confirm occupational competence for Pharmacy Technicians working in a variety of pharmacy settings. Pharmacy Technicians manage the supply of medicines and devices in a pharmacy, and assist Pharmacists with advisory services. The qualification focuses on the study of the supplying and assembling of medicines and providing information to patients and other healthcare professionals within a pharmacy setting. Please note that this qualification has additional requirements for centres at approval stage. More information can be found in the qualification specification, or by speaking to your EQA. To apply for approval for this qualification please visit the qualification page on QualHub. Please note this qualification is not eligible for direct claims status (DCS).
Stakeholder involvement	The following stakeholders have been involved in the development of this qualification: • GPhC • Skills for Health. Please visit our website here for further information including a case study and a training webinar for centres.

Qualification	NCFE CACHE Level 2 Certificate in Working with Children in Early Years and Primary Settings (603/5937/7)
Go-live date	31 July 2020
Useful information	This qualification is suitable for learners aged 16 years and above.

This qualification covers a range of key subject areas that provide learners with the knowledge, understanding and skills needed to care for and educate children aged between 0 and 11 years 11 months old.

It has been designed to support learners to progress on to Level 3 qualifications across a number of sectors, including the Early Years Educator sector, the Supporting Teaching and Learning sector, and the Children and Young People sector. It also contains significant transferable knowledge for the Health and Social Care sector.

In addition, centres can deliver this qualification as part of a full study programme (alongside, for example, GCSE English and Maths)

Please note this qualification directly replaces the NCFE CACHE Level 2 Technical Certificate in Working with Children in Early Years and Primary Settings (603/3292/X) and no longer carries performance points.

This qualification forms an ideal stepping stone onto the T Level Technical Qualification in Education and Childcare (603/5829/4) which will launch in September 2020.

To apply for approval for this qualification please visit the qualification page on QualHub. |
