## Qualification amendment

<b>Qualification</b>	<a href="#"><u>NCFE CACHE Level 2 Award in Suicide Awareness (603/6063/X)</u></a>
<b>Summary of amendment</b>	<p>The qualification specification for the above award has been updated following a verb change within one of its assessment criteria.</p> <p>This refers to learning outcome 7 (assessment criterion 7.3 specifically) where learners gain knowledge on how to sign-post individuals to support and professional services. The wording of criterion 7.3 has been changed from “reflect on” to “explain” how to offer support to an individual at suicide risk.</p> <p>Please note that this amendment does not affect the content nor impact on any learners who have completed the qualification and have been certificated as it is a subtle change in the way in which learners evidence this aspect of the learning outcome.</p>
