CACHE Qualification Withdrawals

| | |
|---------------------------------------|---|
| Qualification | NCFE CACHE Level 2 Technical Certificate in Working with Children in Early Years and Primary Settings (603/3292/X) |
| Date qualification is being withdrawn | 31 July 2020 This is the last date we can accept learner registrations. Please ensure your learners are aware that this qualification is no longer available after the withdrawal date. |
| Certification end date | 31 July 2021 This is the last date we can process learner certificates. Centres must also ensure that learners have been entered and have sat their external assessment before this date, to ensure they have enough time to receive results and claim certificates |
| Reasons for withdrawal | Due to the changes in the Department for Education's Early Years Practitioner criteria, this qualification no longer holds performance points after the 2019-2020 session, so it is no longer a 'Technical' Certificate. |
| Suitable alternative | NCFE CACHE Level 2 Diploma for the Early Years Practitioner (603/3723/0) replaces the early year's element of this qualification, but it is not a direct replacement. |
| Additional information | If any centres would be interested in the legacy version of the qualification (NCFE CACHE Level 2 Certificate in Working with Children in Early Years and Primary Settings (603/1653/6)) being reopened as a non-performance point related replacement then please email customersupport@ncfe.org.uk |
