Assessment

The NCFE Level 3 Diploma in Skills for Business: Enterprise is a knowledge-based qualification which is internally assessed.

Placement requirements

This is not a competence-based qualification so learners may be assessed using simulation. We recommend that this is done in a Realistic Working Environment which reflects a real work setting and replicates the key characteristics of the workplace in which the skill to be assessed is normally employed. This will ensure that any competence achieved in this way will be sustained in real employment. Further information about insurance can be found at www.abi.org.uk or www.hse.gov.uk.

Progression opportunities

This NCFE qualification aims to provide learners with:

- an understanding of the essential skills required to work successfully in a business environment
- the skills required to solve problems in a business environment
- an understanding of business culture and responsibilities
- the ability to successfully communicate and work with others in a business environment
- the opportunity to develop the skills required to manage and improve their own performance in a business environment
- the skills, knowledge and resources required to set up a new business.

Learners who achieve this qualification could progress to:

- NCFE Level 3 Diploma in Skills for Business
