

### Mapping to Senior Healthcare Support Worker apprenticeship standard (mandatory units only)

The table below shows mapping of the mandatory units from the **Level 3 Diploma in Healthcare Support** qualification to the Senior Healthcare Support Worker Apprenticeship Standard (where applicable)

Please note optional units within the qualification are aligned to the options within the apprenticeship standard, for more details refer to the Qualification Specification. In addition, Skills for Health has provided some guidance which is available on the qualifications' webpage for employers and Senior Healthcare Support Worker apprentices. It illustrates possible combinations of units that are available for Senior Healthcare Support Worker apprentices which might reasonably fit for different service areas and options in the apprenticeship.
