Childminder Progression Guide

Introduction

Welcome to the Childminder Progression Guide. This guide has been developed to support assessors and students to consider potential opportunities to demonstrate learning from the NCFE CACHE Level 3 Award in Preparing to Work in Home-Based Childcare (603/3642/0) to meet assessment criteria (AC) in the NCFE CACHE Level 3 Technical Occupational Entry for the Early Years Workforce (Early Years Educator) (Diploma) (610/3984/6).

The [Early Years Foundation Stage statutory framework for Childminders](#) will have been followed in the NCFE CACHE Level 3 Award in Preparing to Work in Home-Based Childcare (603/3642/0). It should be noted that the NCFE CACHE Level 3 Technical Occupational Entry for the Early Years Workforce (Early Years Educator) (Diploma) (610/3984/6) will require adherence to the [Early Years Foundation Stage statutory framework for group and school based providers](#).

The assessor for the NCFE CACHE Level 3 Technical Occupational Entry for the Early Years Workforce (Early Years Educator) (Diploma) (610/3984/6) will be able to look at evidence generated from the mandatory Unit of the NCFE CACHE Level 3 Award in Preparing to Work in Home-Based Childcare (603/3642/0) and make a professional judgment in line regarding opportunities to recognise prior learning. This may require the student to complete additional work in order to fully align with the criteria. The holistic opportunities on the table found on the next page provides the assessor with a starting point from which to consider achievement and decide upon what additional evidence may be required.
