Dear Ms Maughan

We, Bridgend College, would like support in ensuring the following qualification is available to be delivered in Wales.

- **NCFE Level 3 Certificate in Travel and Tourism (603/4141/5)**

We expect a cohort of approximately 15-20 learners, aged 16-18, per year on this programme with the age of learners being 16-18 and 18+.

The focus of the qualifications listed above is on the development of knowledge and understanding of the Travel and Tourism industry providing a broad range of avenues in said field. The qualifications will prepare learners for progression into a range of Travel and Tourism jobs and or Higher Education. The assessment strategy within this qualification would prepare the students for the rigour and demands of Level 4 Study. Our own student feedback and that from collaborative partners would support this also.

These qualifications are appropriate for a Welsh Market and I confirm that we fully support the following qualification:

- **NCFE Level 3 Certificate In Travel and Tourism (603/4141/5)**

Yours sincerely
