

NCFE Reform Qualification Detail from 1 August 2025

On the 1 August 2025 NCFE will be launching a series of qualifications which have been developed as part of Post-16 reforms at Level 3 and below. We are committed to supporting all of our centres to understand their options for delivery and through a smooth transition to ensure that those delivered draw down the appropriate funding and are future-ready, relevant and in line with employer and industry need.
