Administration fees

Cancellations

Cancellations are when learners or whole batches of learners are removed from a qualification, not to be re-instated.

If you cancel your learners within 5 working days of registering them, the registration fee will be refunded. After 5 working days you will not have the registration fee refunded. The cancellation fee will apply to both scenarios.

Withdrawals

Withdrawals are when learners or whole batches of learners are temporarily removed from a qualification. No refund or fee applies and these learners can be unwithdrawn if they continue on the qualification.

Transfer of learners

At times a learner may need to be transferred to a different qualification than the one they are registered on. In this case we'll apply a conversion fee as follows:

- If the new qualification is more expensive than the original qualification, the difference in price will be charged, plus a transfer fee.
- If the new qualification is the same price or lower than the original qualification, the only additional cost is the transfer fee.

The above rules apply only when the learner(s) transferring has done so BEFORE any qualification within the quality assurance (QA) group has been externally quality assured, or, had an external assessment sat. For any transfers completed/processed AFTER any visits or external assessments have taken place, no refund will apply.

Transfer learner between qualification or booking	£20.00
Transfer full batch of learners between qualification or booking	£25.00

Topping up learners within qualification nests

Learners can be topped up to a qualification that is the same level and subject within the Award, Certificate and Diploma structure.

Topping up: In this case, you'll be charged the difference between the original and the topped up qualification, plus the top up fee.

Topping down: In this case, there will be no refund of the original registration fee and the topping up fee will be applied

Topping up a single learner	£20.00
Topping up a full batch of learners	£25.00
