To whom it may concern,

Re: 16 -19 performance tables

I am writing in support of the Technical Level 3 Certificate in Childcare and Education qualification to be included in the Technical Level 16-19 Performance Tables for 2018.

601/8436/X - NCFE CACHE Technical Level 3 Certificate in Childcare and Education

I believe that this qualification is suitable for the 16-19 performance tables as it will provide a secure foundation of skills and knowledge in early years and childcare to prepare learners for progression to the Diploma.

If this qualification is studied alongside other qualifications it enables the learner to progress to Higher Education. It also gives learners an advantage if they wish to progress to employment in the early years and childcare sector in supervised job roles such as in a nursery, pre-school or as a childminding assistant as they will have gained a range of relevant knowledge and skills.

I agree to the Company Name and website being made publicly available on the Department for Education and CACHE website.

Yours faithfully,

A handwritten signature in blue ink that reads "Susan Farnham".
