A quick guide to nested suites

What are nested suites?

Nested suites are groups of qualifications in the same subject area and level, but with a range of awards and Guided Learning Hours (GLH).

A nested suite of qualifications may include the following*:

- Introductory Certificate
- Certificate
- Level 3 Diploma (540 GLH)
- Level 3 Diploma (720 GLH)
- Level 3 Extended Diploma

*not inclusive of all nested suites. See pages 3-5 for our full range of nested suites.

Having the option of different levels of awards across one subject area means you're able to enter learners on to a qualification that best suits their needs, with the flexibility to move them on to a different qualification within the same suite as they progress, based on their performance.

Benefits for you and your learners:

- flexibility for learners
- choose a level of study suited to a learner's ability
- option to move learners on to a different qualification within the same suite, based on performance
- improve learner outcomes
- many of these qualifications can be taken as part of our Study Programmes, offering a robust learning experience.
