

ncfe.

why choose ncfе for your school?

NCFE believes that education isn't 'one size fits all'. We understand that your learners are unique, and your curriculum should be too!

We will support you to develop an enhanced curriculum, so every one of your learners can reach their full potential, whatever that looks like to them.

Do you want to know how we do it?

we support learner achievement.

We're thrilled that 14 of our V Cert Technical Awards carry performance points that count towards Progress 8.

we support teachers.

We offer classroom-ready resources to make admin simple, and we offer training events and CPD qualifications to help you to upskill.

we support progression.

Our V Certs build great foundations for learners looking to progress into further education, such as T Levels, as well as progression into employment. Whatever their ambitions, we can help.

we support pshe, rse and he.

We can support you to create a programme of learning suited to your school and learners with our quality and flexible PSHE provision. Our RSHE and HE qualifications are mapped to 100% of government guidance.

we support english and maths.

We want to equip all students with the vital skills they need to succeed in life.

Our bite-sized interventions, Functional Skills qualifications, solutions for post-16 and Skills Builder from Skills Forward ensure every learner leaves school with the vital English and maths skills they need to succeed.

we support learning for the future.

We're focused on the future of education, ensuring young people have the chance to succeed in education and life, especially following recent disruptions to learning.

We have a number of innovative technology-enhanced solutions, including eLearning solutions from Skills Forward and our Peer Tutor app.
