Level 1/2 Technical Award in

Business and Enterprise

Our V Certs are designed in collaboration with employers to ensure they equip individuals with the skills the workforce needs.

They empower pupils with industry-relevant skills and knowledge appropriate to a range of growing sectors.

V Certs are combined Level 1 and Level 2, to recognise the achievements of pupils of all abilities. They're graded from Level 1 Pass, Merit, Distinction, through to Level 2 Pass, Merit, Distinction, Distinction*, which is the equivalent to GCSE grades 8.5-1.

Business and Enterprise

Studying this V Cert will give pupils the core skills and knowledge they'll need to prepare for an enterprising career. They'll learn how a business is structured, who stakeholders are and why they're important, and will gain an understanding of the different areas of a business, from HR and finance to operations and marketing.

What's next?

Further study: a T Level in management and administration, or a Business A Level or Applied General at college or sixth form.

Apprenticeship: in business administration or as a marketing assistant.
