# 5 top tips for submitting your Functional Skills Teacher Assessed Grade (TAG) eligibility application

- 1 Treat your learners as individuals, so avoid blanket applications for TAGs.
- 2 We want the detail – offer us detailed rationale (not just Covid-19)!
- 3 Describe to us how you and your learner have explored and exhausted all available assessment options.
- 4 Tell us what assessment venues you have considered and why assessment couldn't take place.
- 5 Remember to read the guidance within the **application spreadsheet** before starting.

For more information, visit our **Covid response hub**.
