

Level 1/2 Technical Award in

Interactive Media

Our V Certs are designed in collaboration with employers to ensure they equip individuals with the skills the workforce needs.

They empower pupils with industry-relevant skills and knowledge appropriate to a range of growing sectors.

V Certs are combined Level 1 and Level 2, to recognise the achievements of pupils of all abilities. They're graded from Level 1 Pass, Merit, Distinction, through to Level 2 Pass, Merit, Distinction, Distinction*, which is the equivalent to GCSE grades 8.5-1.

Interactive Media

This refreshed V Cert is an exciting first step for pupils interested in working in interactive media. Pupils will gain insight into all types of interactive media products, learning about their features and their audiences before delving into how to develop, promote and present an interactive media product.

What's next?

Further study: a T Level in media, broadcast and production or an A Level in Media Studies at college or sixth form.

Apprenticeship: as a junior content producer or broadcast production assistant.
