## Pro-forma: task 3 (a) – reflect on peer discussion feedback

Print out this form to allow completion of handwritten notes of the peer discussion. Please ensure that your writing is legible and that the document is suitable for scanning so it can be made available as an electronic piece of evidence. If you wish to expand the space to cover multiple pages before printing, feel free to do so.

### Questions you were asked by your peers

### What your peers felt would work well in your healthcare plan and why

### Examples of how your peers think that your healthcare plan could be improved

## Pro-forma: task 4 – reflective account

The spaces provided below are **not** indicative of length of response required. Consideration should be given to the time limit stated in the 'Conditions of the assessment' section of the task.

You should consider the following areas when completing this task:

- how you feel you approached the overall project and how you achieved the tasks individually
- evaluate your performance and experience, reflecting on what did and did not go well and focussing on your strengths and weaknesses in both performance and knowledge
- outline conclusions you can draw from this experience
- identify areas you would approach differently or improve if you were to be faced with a similar project
