

## NCFE Level 1 Occupational Studies units

NCFE's Occupational Studies qualifications are tailored to give learners an introduction to specific careers, offering a taster of particular occupational areas.

The Occupational Studies suite is intended to be accessible to all learners of all abilities with the core aim to give learners a platform upon which to further develop their skills and learning, helping to provide the building blocks towards Apprenticeships.

The below units have been grouped together by occupational areas. Units that are also available as stand-alone unit programmes are listed in **bold**:
