What happens at the end of an accreditation period?

We review qualifications that are near the end of their accreditation period, working with sector representatives to make any changes necessary to meet sector needs and to reflect recent developments. In most cases we’d apply to the regulators for an extension to the accreditation period. If an accreditation period is extended the certification period will also change.

We'll post information relating to changes or extensions to qualifications on our website (www.ncfe.org.uk) and centres approved to offer the qualification will be kept updated.
