About this qualification

The Level 2 Certificate in Supporting Teaching and Learning has been designed to provide learners with an understanding of the knowledge and skills needed when working directly with children and young people in school or college environments. It covers a wide range of areas including children and young people's development, supporting children and young people's positive behaviour and communication and professional relationships.

It is aimed at learners working in roles that support pupils' learning in primary, secondary or special schools, as well as colleges.

This qualification shares 3 units with the Level 2 Award in Support Work in Schools and Colleges, providing learners with a direct progression route to the Certificate.
