

Learner overview

NCFE CACHE Level 3 Certificate in Understanding the Care and Management of Diabetes (603/1609/3)

The qualification's content, structure and outcomes

This qualification is designed to increase your awareness and understanding of diabetes.

By completing the qualification, you will develop in-depth knowledge of diabetes which could support progression onto appropriate qualifications and into relevant employment in the health and social care sector.

The qualification will help you to understand:

- the types, causes, signs and symptoms of diabetes
- anatomy and physiology
- the consequences of diabetes on society, the individual and others
- the impact of diabetes on individuals, others and society
- the treatment and management of diabetes
- common complications of diabetes.

To achieve this qualification, you'll need to complete **4 mandatory units**:

- Unit 01 Understand diabetes
- Unit 02 Diabetes in context
- Unit 03 Understand the treatment and management of diabetes
- Unit 04 Understand the complications of diabetes

Similar qualifications

This is the only level 3 knowledge-based qualification offered by NCFE CACHE in this area and it supports progression from level 2 diabetes qualifications.

Other ways you could achieve the same outcome

There are other level 3 qualifications in diabetes available through other Awarding Organisations. Please check the Register of Regulated Qualifications (<http://register.ofqual.gov.uk/>).

Funding will not be available so you will need to apply for an Advanced Learner Loan to support you through this qualification.

This qualification is not available as part of an Apprenticeship.

How this qualification supports the identified outcome

This qualification allows you to develop in-depth knowledge and understanding of diabetes.

Achievement of this qualification will help support progression into a variety of job roles and occupational areas within health and social care, or roles in other sectors which support people with diabetes.

Support for this qualification

This qualification is supported by Northumberland, Tyne and Wear NHS Foundation Trust.
