About Relationships, Sex and Health Education

The purpose of these qualifications is to provide secondary age learners (ages 11-16) with the knowledge and understanding that will enable them to make informed decisions about their wellbeing, health and relationships. They will help to build learner self-efficacy and develop resilience which will enable them to meet the challenges of creating a happy and successful adult life and become a productive member of society.

The qualifications have been mapped to the Department for Education's guidance for Relationships and Sex Education (RSE) and Health Education (HE) for secondary schools, ensuring every aspect of the statutory requirement is covered.

Key features and themes of the qualification suite

The subject matter and key themes include:

- Age and developmentally appropriate content
- A sensitive and inclusive approach to delivery
- Content mapped to Ofsted's Education Inspection Framework for 2019
- High quality and comprehensive learning resources from Jigsaw PSHE Ltd
- PregnancyVue virtual reality app, an immersive VR experience of pregnancy from conception through to gestation and birth – shortlisted by e-Assessment Awards in the Innovation category.
