Dear Vicky

Level 1 Certificate in Food and Cookery Skills (603/3909/3)
Level 2 Certificate in Food and Cookery Skills (603/3911/1)

NIC is one of the largest privately owned multi service providers in the country, employing thousands of people throughout the UK & Ireland. A family owned business that has extensive experience of the cleaning and facilities management industry, we have over 40 operational centres across the UK & Ireland. Our Senior Management Team has over 150 years of combined experience in the industry.

This qualification would be valuable to our business as it would open up other areas in which we could generate extra business. It would help us achieve our KPI's, improve staff retention and achieve a wider learning and development strategy. Its would provide staff with improved knowledge and a better understanding of the job role and personal objectives. Having qualified staff with a range of business and administrative skills would have a positive impact on their own personal development and benefit the company professionally.

The NCFE (qual title and number if applicable) could lead to this/these job(s) in our company:

- Cleaning Operative
- Cleaning Supervisor

This qualification is suitable for anyone aged 16 years upwards.
