Level 1/2 Technical Award in

Creative Design and Production

Our V Certs are designed in collaboration with employers to ensure they equip individuals with the skills the workforce needs.

They empower pupils with industry-relevant skills and knowledge appropriate to a range of growing sectors.

V Certs are combined Level 1 and Level 2, to recognise the achievements of pupils of all abilities. They're graded from Level 1 Pass, Merit, Distinction, through to Level 2 Pass, Merit, Distinction, Distinction*, which is the equivalent to GCSE grades 8.5-1.

Creative Design and Production

From arts and crafts to postmodernism – our new Creative Design and Production V Cert will allow pupils to explore the history of design, whilst learning the key principles of design, materials and production to enable them to bring their creations to life.

What's next?

Further study: a T Level in craft and design, A Level in Design and Technology, or an Applied General in Art and Design at college or sixth form.

Apprenticeship: in jewellery design or furniture making.
