## Administration fees

### Cancellations

Cancellations are when learners or whole batches of learners are removed from a qualification, not to be reinstated.

## Transfer of learner

At times a learner may need to be transferred to a different qualification than the one they are registered on. In this case we will apply a conversion fee as follows:

- If the new qualification is more expensive than the original, the difference in price will be charged, plus a transfer fee.
- If the new qualification is the same price or lower than the original qualification, the only additional cost is the transfer fee.

If the learner has already received assessment or external quality assurance on the original qualification, there will be no refund and the new registration fee will be charged.

Transfer full batch of learners between batch, qualification or entry	£25.00

## Topping up learners within qualification nests

Learners can be topped up to a qualification that is the same level and subject within the Award, Certificate and Diploma structure (qualification nests are indicated throughout the document). In this case, a conversion fee will apply:

- If the new qualification is more expensive than the original, the difference in price will be charged, plus a top up fee.
- If the new qualification is the same price or lower than the original qualification, the only additional cost is the top up fee.

If the learner has already achieved the external assessment on the original qualification, they will be charged the difference between the original and the topped up qualification.
