To whom it may concern,

Re: 16 -19 performance tables

I am writing in support of the Technical Level 3 Diploma in Childcare and Education qualification to be included in the Technical Level 16-19 Performance Tables for 2018.

**601/8437/1 NCFE CACHE Technical Level 3 Diploma in Childcare and Education (Early Years Educator)**

I believe that the Level 3 Diploma in Childcare and Education is suitable for the 16-19 performance tables as it is thorough and sufficiently in depth to ensure a high level of study by learners providing them with the knowledge and skills to effectively work as an early years and childcare practitioner.

This qualification also provides learners with the license to practise as an Early Years Educator which will put them at an advantage when progressing on to higher education, apprenticeships or employment such as in a nursery, preschool, as a childminding assistant or nanny.

I agree to the Company Name and website being made publicly available on the Department for Education and CACHE website.

Yours faithfully,

A handwritten signature in blue ink that reads "Susan Farnham".
