Learning aims and outcomes at Entry Level

Functional Skills English qualifications at these levels indicate that learners should be able to speak, listen, communicate, read and write with increasing clarity, accuracy and effectiveness at each level.

They should be able to:

- listen, understand and respond to verbal communication in a range of familiar contexts.
- acquire an understanding of everyday words and their uses and effects, and apply this understanding in different contexts.
- read with accuracy straightforward texts encountered in everyday life and work, and develop confidence to read more widely.
- write straightforward texts and documents with clarity and effectiveness, and demonstrate a sound grasp of spelling, punctuation and grammar.

Learners should (with some direction and guidance) be able to apply these functional skills to informal and some formal contexts, in familiar situations.
