

## Pre-release material

# NCFE Level 3 Applied General Certificate in Business and Enterprise (601/8908/3)

## SAMPLE PAPER

### Instructions for centres

Centres can use the information below to help familiarise learners with the theme of the external assessment.

Learners are **not** allowed to take any notes into the external assessment and will not be allowed to take a copy of the pre-release material in. A clean copy will be provided with the external assessment paper.

The theme and associated pre-release material will change with each new paper.

### Pre-release material for learners

- The external assessment will be based around a furniture products manufacturing business
- The business has a portfolio of products
- It is a public limited company
- It sells its products to both individual consumers and businesses
