## NCFE Level 5 Diploma in Principles of Management and Leadership (601/8032/8)

### Qualification content, structure and outcomes

This qualification aims to provide you with the opportunity to develop your knowledge in management, leadership and employability skills, allowing you to apply this knowledge to the national standard required by employers.

It is suitable for team leaders and junior managers across a wide variety of work areas, in both public and private sectors. It will allow you to develop management, leadership and employability skills all of which are essential for the workplace. You may find it useful if you are already employed in an associate, professional or operational management role.

This is a suitable progression if you already have the core occupational competence and knowledge within the sector and you are aiming to make the transition from line manager or operational manager into middle management level.

This qualification is a Level 5 Diploma and has 240 guided learning hours.

To achieve this qualification, you will need to complete **one mandatory unit**.

- Unit 01 Principles of Management (10 credits)

There are also a number of optional units covering different aspects of management and leadership, for you to choose depending on your interests and requirements.

You need to complete a minimum of 40 credits to achieve this qualification. 35 credits must be at or above Level 5. Please see the 'Unit breakdown' tab on the qualification page of our website for further information.

### Similar qualifications

This is the only knowledge-based Level 5 Management and Leadership qualification offered by NCFE. It has been designed to support progression from the Level 4 NVQ Diploma in Management qualification.

The only similar qualification NCFE offers is the Level 5 NVQ Diploma in Management and Leadership which is a practical qualification that will confirm competence of those already fulfilling a senior managerial role.

### **Other ways you could achieve the same outcome**

This qualification is available through other Awarding Organisations. Please check the Register of Regulated Qualifications (<http://register.ofqual.gov.uk/>).

Funding will not be available for this qualification so you will need to apply for a loan to support you during this qualification. This qualification is not available as part of an Apprenticeship.

### **How this qualification supports the identified outcome**

This qualification is designed for adult learners who want to progress into or within employment in a management and leadership role.

Achievement of this qualification will help support progression into a wide variety of roles within both the public and private sectors, allowing you to apply knowledge to the national standard required by employers.

This qualification forms the knowledge-based element of the Higher Level Apprenticeship in Management.
