Dear Amy

**NCFE CACHE Level 5 Diploma in Leadership and Management in Health and Social Care Services (Northern Ireland)**

I confirm that we recognise and support the above qualification.
With offices across Northern Ireland, Rutledge is one of the leading providers of Recruitment and Training services; including Permanent/Temporary Recruitment, Healthcare Recruitment, Domiciliary Care Services, Corporate training, and Government training initiatives – Skills for Life and Work, Apprenticeships N.

I believe these qualifications are valuable for learners because they provide learners with the skills and knowledge needed to manage practice and lead others in adult health and social care provision in Northern Ireland

Completion of these qualifications will prepare learners to progress their career to a variety of management roles in adult care or to further or higher education in Northern Ireland.

This qualification is suitable for learners aged 19and upwards and will support progression from the Leve 3 Diploma,

The focus on development of skills and knowledge at this level prepares learners for progression into a range of higher-level qualifications within the Health and Social Care sector. Learners may also choose to use the skills and knowledge developed as a basis for seeking employment within Health and Social Care and related sectors.
I confirm that we fully support the NCFE CACHE Level 5 Diploma in Leadership and Management in Health and Social Care Services (Northern Ireland) qualification.

Yours sincerely
Joanne Crawford
