Dear Judith,

NCFE Level 3 Introductory Certificate (601/8877/7), Certificate (601/8878/9), Diploma (540) (601/8881/9), Diploma (720) (601/8882/0) and Extended Diploma (601/8883/2) in Sport and Physical Activity

This qualification will provide individuals who have an interest in **Sport and Physical Activity** with an opportunity to develop their skills, knowledge and understanding to an advanced level. This will prepare learners to progress onto a range of higher education courses within Southampton Solent University and other relevant sectors.

Southampton Solent University provides students from all backgrounds with a supportive, high quality learning environment and offers a variety of courses, many of which are professionally accredited and industry linked. We were voted one of the UK's most creative universities in the Which? University 2013 and 2014 student polls, and we have a strong focus on allowing our students to explore the boundaries of professional practice. Students have access to industry-standard biomechanics and psychology labs that are fully equipped for professional-level research and experimental work.

The **NCFE Level 3 Introductory Certificate/Certificate/Diploma (540)/Diploma (720) and Extended Diploma in Sport and Physical Activity** can be considered alongside other qualifications as fit for purpose and therefore suitable for meeting entry requirements to a range of higher education courses, including: BSc (Hons) Health, Exercise and Physical Activity, BSc (Hons) Sport Coaching and BA (Hons) Sport Coaching and Development.

The **NCFE Level 3 Diploma (720)/Extended Diploma in Sport and Physical Activity** can be considered on their own as fit for purpose and therefore suitable for meeting entry requirements to a range of higher education courses, including: BSc (Hons) Health, Exercise and Physical Activity, BSc (Hons) Sport Coaching and BA (Hons) Sport Coaching and Development.

We would support this qualification as it will enable learners to progress to higher education. We confirm that we are happy for this statement of support to be made public and available on the NCFE website alongside the qualification.

Yours sincerely,

Tere Daly
Director of External Relations
Southampton Solent University
