About this qualification

This qualification is designed to provide the learner with the knowledge and skills to respond to first aid situations and administer first aid in the workplace.

Emergency First Aid at Work certificates are valid for three years. In order to requalify after three years, learners must be assessed against all learning outcomes (LOs) and assessment criteria (AC) in the units.

The date of certification is based on the achievement of the final unit; the certificate will be valid for three years from that date.

Standards of first aid practice skills and knowledge must be taught and assessed in accordance with currently accepted first aid practice in the United Kingdom as laid down by the Resuscitation Council (UK) and in other publications, provided that they are supported by a responsible body of medical opinion.
