About this qualification

This qualification is designed to increase learners' awareness and understanding of addiction. This qualification aims to raise awareness of treatments and care available for different types of addiction and support while in recovery.

This qualification will support learners who wish to develop in-depth knowledge that can support them in their roles where they may interact with individuals in addiction recovery. These could include roles within the healthcare, social care, childcare, education and housing sectors.

Qualification structure

To be awarded this qualification, learners are required to successfully achieve 4 mandatory units.

Mandatory units

Unit 01 Understanding addiction (Y/650/6702)
Unit 02 Understanding the treatment and transitional care for addiction (A/650/6703)
Unit 03 Understanding support available for recovery and rehabilitation (D/650/6704)
Unit 04 Understanding post-addiction recovery and relapse prevention (F/650/6705)

Assessment

The assessment comprises a portfolio of evidence, which is internally assessed by centre staff and externally quality assured by NCFE.

The grading model used for both units is achieved/not yet achieved.
