23 February 2018

Dear Mark

I am writing in support of the NCFE CACHE Level 3 Applied General Certificate in Health and Social Care (603/2914/2).

The University of Chichester offers undergraduate degree programmes in Early Years, Social Work and Primary Teaching (inter alia).

This qualification will provide individuals who have an interest in Health and Social Care with an opportunity to develop their skills, knowledge and understanding to an advanced level. It supports learners to enhance their techniques of evaluation, analysis and reflection and those progressing onto higher education will benefit from these study skills.

As a University, we consider that this qualification is fit for purpose and fulfils entry requirements to courses in a range of subjects, when combined with other qualifications such as A levels and other Applied Generals.

Entry onto our courses varies according to the subject for which an applicant has applied and the number of UCAS points required. Please see our website for the most up to date entry criteria. The NCFE CACHE Level 3 Applied General Certificate in Health and Social Care (603/2914/2) supports entry to such courses as:

BA (Hons) Early Childhood Studies; BA (Hons) Health and Social Care; BA (Hons) Social Work.

Typically, our intake onto these courses is between 30 to 50 candidates a year.

This qualification is suitable for anyone aged 16 and above.

I agree to this letter being published electronically on CACHE's website/public domain, in accordance with the DPA.

Yours faithfully,

A handwritten signature in black ink that reads 'B. Savill'.

Bob Savill

Director of Student Recruitment and Admissions
University of Chichester
