## About this qualification

This qualification provides learners with the emergency first aid skills they require when working in the children's workforce. The aim of the unit within this qualification is for the learner to attain the knowledge and practical skills required to deal with a range of paediatric first aid situations.

The qualification is suitable for anyone who has to deliver first aid as part of their role in either childcare settings or in domestic environments. This qualification is designed for learners who have responsibility for children, whether in a work setting or within a domestic environment.

## Qualification structure

In order to achieve the Level 3 Award in Emergency Paediatric First Aid, learners must achieve the one mandatory unit within this qualification.

### Mandatory unit

01 Emergency paediatric first aid
-----------------------------------

## Assessment

This qualification will be assessed by a tutor or assessor using a range of methods. These may include practical demonstrations and task-based assessments.

## Progression opportunities

This qualification is for learners who have responsibility for young children in any setting.

This qualification must be retaken within three years from the date of certification to ensure the learner updates their knowledge and practice in line with changes in procedures and protocols.

Learners can progress onto the Level 3 Award in Paediatric First Aid which is a standalone qualification for learners who have responsibility for young children in any setting.
