CACHE Level 3 Diploma in Early Years Education and Care (EYE)

Having seen the content of the CACHE Level 3 Diploma in Early Years Education and Care (EYE) we were impressed by the high level of study required by learners to achieve this qualification at Level 3. The knowledge and skills required to achieve this qualification are in line with the needs of my workforce and will only improve the standard of care offered with the Early Years Sector

The work the CACHE team have put into the development of this qualification is apparent and we wish them every success with this new qualification for Early Years.

We are happy for our support to be made public on both the CACHE website and the Department for Education website.

Kind Regards

CACHE Level 3 Diploma in Early Years Education and Care (EYE)

Having seen the content of the CACHE Level 3 Diploma in Early Years Education and Care (EYE) we were impressed by the high level of study required by learners to achieve this qualification at Level 3. The knowledge and skills required to achieve this qualification are in line with the needs of my workforce and will only improve the standard of care offered within the Early Years Sector. It sets a high level of expectation on what a learner needs to understand in the very early stages of child development and the vital role they play in nurturing all children to achieve their full potential. These attributes will ensure that all children are given the best start in their educational lives and prepare them fully for the challenges of later life.

The work the CACHE team have put into the development of this qualification is apparent and we wish them every success with this new qualification for Early Years.

We are happy for our support to be made public on both the CACHE website and the Department for Education website.

Yours sincerely,

C. Baron

CACHE Level 3 Diploma in Early Years Education and Care (EYE) 601/2147/6

Now that we have seen the content of the CACHE Level 3 Diploma in Early Years Education and Care (EYE) we are very impressed by the amount of high level of study and time in a real work setting required by learners to achieve this Level 3 qualification. The skills and knowledge required to achieve this qualification are totally in line with the needs of the workforce and will only improve the standard of care offered with the Early Years Sector.

The work the CACHE team have put into the development of this qualification is apparent and we wish them every success with this new qualification for Early Years. We are reassured that learners coming to the work place, who have achieved a CACHE Early Years Educator will have a qualification that has prepared them for the job role and for a meaningful career.

We are happy for our support to be made public on both the CACHE website and the Department for Education website.

Yours faithfully

CACHE Level 3 Diploma in Early Years Education and Care (EYE)

Having seen the content of the CACHE Level 3 Diploma in Early Years Education and Care (EYE) I was very impressed at the high level of study required by learners to achieve this qualification at Level 3. The knowledge and skills required to achieve this qualification are in line with the needs of my workforce and will only improve the standard of care offered with the Early Years Sector.

The award also has the full support of the Manager within Stone Eden Nursery School.

Here at Stone Eden Nursery School we feel training and development is beneficial to both the learner and the children they are supporting each day. I feel a highly skilled learner will be far more confident within their role, demonstrating much more enthusiasm and commitment when giving the support needed to further children's learning and development.

The above award will ensure learners develop high level skills that will enable them to progress within the childcare profession and ensure we as Early Years Practitioners have highly trained staff on completion of the award working within the childcare setting.

It is apparent to see the CACHE team have put a lot of work into the development of this qualification and we wish them every success with this new qualification for Early Years.

We are happy for our support to be made public on both the CACHE website and the Department for Education website.

Kind regards
