Assessment

Internally assessed and externally quality assured portfolio of evidence.

Work/industry placement experience

As learners need to show competence in both skills and knowledge, they will need to be working or be on a practical placement during the duration of the taught programme of study in a learning environment (school or college). It is recommended that the learner undertakes 200 hours of placement in a real work environment, to be completed throughout the duration of the qualification before certification.

The hours above are recommendations, not mandatory minimum placement hours. They are therefore not part of the TQT calculation.
