

Testimonials

Tilly Cole

Level 1/2 Technical Award in Business and Enterprise and Level 1/2 Technical Award in Engineering

"V Certs allow you to gain hands-on experience in an area before pursuing it as a career."

Henry Torrie

Level 1/2 Technical Award in Engineering

"The V Cert in Engineering was a stepping stone to study this subject at a higher level and it will help me to secure an engineering apprenticeship in the future."

Matthew Busby

Level 2 Technical Award in Health and Social Care and Level 1/2 Technical Award in Health and Fitness

"My dream is to study paramedic science and become a paramedic in the NHS and the NCFE V Certs have given me the skills to pursue my dream."

Joey Clark

Level 1/2 Technical Award in Health and Fitness and Level 1/2 Technical Award in Engineering

"I decided to do the V Cert in Engineering as I was interested in this subject and it was a stepping stone to study it at level 3. The V Cert will support with my ambition to go into the RAF as an Aircraft Technician."

Dylan McPherson

Level 1/2 Technical Award in Health and Fitness

"I really enjoy the coursework and is a good example of what work will be like in the future. I'd highly recommend a V Cert."

Olivia Cook

Level 2 Technical Award in Health and Social Care and Level 2 Technical Award in Child Development and Care

"I believe vocational education is beneficial to young people because it gives us the skills we need to pursue our dream careers."
