Qualification	NCFE CACHE Level 2 Technical Specialist in Mental Health in the Early Years (Certificate) (610/4509/3)
Go-live date	01 August 2025
Useful information	<p>This qualification is suitable for learners aged 16 and above.</p> <p>This qualification is designed for learners who wish to understand children's mental health in the early years (from birth to 5 years old) and learn about the role of the Early Years Practitioner in supporting children's mental health and wellbeing. This is a knowledge- and skills-based qualification. Through achieving this qualification, learners will develop knowledge which would support progression to further qualifications and into relevant employment in the health and social care or education sectors.</p> <p>The qualification builds on the outcomes within the Early Years Practitioner occupational standard (ST0888).</p> <p>It may also be useful to learners studying qualifications in the following sectors/areas:</p> <ul style="list-style-type: none"> • mental health • early years • childminding • support roles <p>This qualification may be eligible for funding. For further guidance on funding, please contact your local funding provider. This qualification is eligible for direct claims status (DCS).</p> <p>To apply for approval for this qualification please visit the qualification page on the NCFE website.</p>

Qualification	NCFE CACHE Level 3 Technical Specialist in Special Educational Needs Co-ordinators in Early Years Settings (Award) (610/4001/0)
Go-live date	01 August 2025
Useful information	<p>Learners must be aged 16 or above to undertake this qualification and have experience of working with babies and young children before registering. Learners may find it helpful if they have already achieved a level 2 qualification.</p> <p>This qualification is designed to meet the needs of both learners aged 16 to 19 years and adult learners who are interested in developing additional specialist competence in an educational occupation and clearly aligns to Skills England's hierarchy of purpose. The qualification offers an engaging course of study and provides learners with the opportunity to specialise within an occupational area.</p> <p>The qualification will enable learners to acquire the knowledge, skills and behaviours required to develop additional specialist competence within education and early years. Furthermore, employers will be able to access reliable evidence of a learner's achievement against the criteria, which are the minimum requirements for practice in a specialised role within the occupational area, as a special educational needs co-ordinator (SENCO).</p> <p>This qualification builds on the outcomes within the Early Years Educator occupational standard (ST0135).</p> <p>This qualification is designed for learners who envisage having, or currently have, careers in areas such as healthcare, social work, nursing, counselling, early years and teaching.</p> <p>This qualification may be eligible for funding. For further guidance on funding, please contact your local funding provider.</p> <p>This qualification is eligible for direct claims status (DCS).</p> <p>To apply for approval for this qualification please visit the qualification page on the NCFE website.</p>
