To whom it may concern,

**Re: 16 - 19 performance tables for 2017**

I am writing in support of the **CACHE Level 3 Certificate in Childcare and Education (VRQ)** to be included in the 16-19 Performance Tables for 2017.

**601/3999/7 CACHE Level 3 Certificate in Childcare and Education (VRQ)**

I believe that this qualification is suitable for the 16-19 performance tables as it provides the learner with a broad foundation of knowledge and skills within early year's childcare and education in preparation for progression to the Diploma.

If this qualification is studied alongside other qualifications it enables the learner to progress to post 16 courses and allows direct progression the Diploma so they can progress to higher education courses, including direct entry into our own Foundation Degrees.

I agree to the Company Name and website being made publicly available on the Department for Education and CACHE website.

Yours faithfully,

Paula Miller
