Dear Sir /Madam I am writing in the support of the CACHE Level 3 Diploma in Playwork (NVQ) (QCF)

As a Playwork /Out of School and Holiday Care Provider with 8 provisions I believe these qualifications are beneficial to learners as it gives the learners excellent knowledge of the theories behind play and the Playwork Principles and Planning for Play. Although Playworkers have to follow the EYFS for the reception children , the focus in our setting is Risk and Challenge and Outdoor Play and the Children and Young People qualification I feel does not meet the requirements for the Play Sector.

As we operate Holiday Care Provision where we deliver Forest School Activities this qualification stretches the learners to ensure their higher level of analytical skills and they provide preparation for entry to Higher Education, it gives them the understanding how children need to develop risk taking as I personally have found that staff with childcare qualifications are very wary of letting children play freely and make choices and take risks and they see themselves predominantly as CARERS... with this in mind we are developing children not to take risks ..because it might go wrong or they may get hurt and we are breeding a generation who will not take risks or be challenged so with this in mind we will have no Inventors, Stock Exchange etc... Playworkers are valuable professionals who deliver excellent Play Provision which would be lost without this valuable qualification

I hope this qualification will still be funded as we have taken on and had playwork apprentices who have achieved.

Yours Sincerely

Yvonne Cooper

Dear Sir/Madam,

I am writing in support of the 501/0997/2 CACHE Level 3 Diploma in Playwork (NVQ)(QCF)

I believe this qualification gives learners a clear understanding of what will be required of them once they have completed the course and begin work with us, it gives them good specialist knowledge and skills in Playwork which enables them to demonstrate their managerial skills in the workplace.

The CACHE Level 3 Diploma in Playwork provides knowledge about the role of the Level 3 playworker when working with children and young people between the ages of 4 to 16. It prepares learners for roles in management of play environments and as line managers of other staff.

I agree to our Company/Centre name and website being made publicly available on the DfE and CACHE websites.

Yours faithfully,

Asli Akkoyunoglu

Dear Sir/Madam

Endorsement: 501/0997/2 CACHE Level 3 Diploma in Playwork (NVQ) (QCF)

As an employer this qualification gives learners a clear understanding of what will be required of the young person once they have completed the course and begin work with us. It gives employees an excellent understanding of child development and the specialist knowledge and skills required when caring and educating young children.

Quality and high standards are extremely important to the Get together Club and we strongly believe that this qualification will challenge and extend learners particularly developing their academic, practical and leadership skills.

I agree to the Company Name and website being made publicly available on the DfE and CACHE website.

Yours faithfully
