Re: 16 - 19 performance tables for 2017

I am writing in support of the **CACHE Level 3 Diploma in Childcare and Education (VRQ)** to be included in the 16-19 Performance Tables for 2017.

601/4000/8 CACHE Level 3 Diploma in Childcare and Education (Early Years Educator) (VRQ)

I believe that the Level 3 Diploma in Childcare and Education is suitable for the 16-19 performance tables as it provides learners with a vast amount of knowledge and skills which can be applied in childcare and education settings.

This qualification allows learners to progress to Higher education courses in a range of subject areas. CACHE is currently applying for UCAS tariff points for the Diploma.

This qualification also provides learners with the license to practise as an Early Years Educator which will put them at an advantage when progressing on to higher education, apprenticeships or employment such as a nursery practioners, teaching assistant and nanny.

All of these qualifications are essential in raising academic standards within the Early Years and Childcare sectors.

I agree to the Company Name and website being made publicly available on the Department for Education and CACHE website.

Yours faithfully,

Paula Miller
