Dear Sarah

NCFE Level 3 Applied General Certificate in Business and Enterprise (601/8908/3)

This qualification will provide individuals who have an interest in Business with an opportunity to develop their skills, knowledge and understanding to an advanced level. It will prepare learners to progress onto a range of higher education courses within the business sectors and other relevant sectors.

Peterborough Regional College and the Business, Professional and Educational Studies Academy offers a range of vocational business and accounting qualifications to learners aged 16 and over. Many of the learners choose to study these vocational qualifications and use the suite of qualifications and topics to progress onto either employment or further study at University to develop or enhance their career choices.

The above qualification has been designed and developed with learners in mind and supports these needs for a range of learners, in line with their abilities and skill base. This qualification provides a sound foundation of learning and development of practical skills for learners to enhance their knowledge and understanding of Business and Enterprise and progress onto their next steps.

The NCFE Level 3 Business and Enterprise qualification can be considered alongside other qualifications at the same level, as fit for purpose and therefore suitable for meeting our entry requirements to a range of higher education courses: BSc (Hons) Business Management and BSc (Hons) Accounting and Finance that is offered within University Centre Peterborough (this is a JV between Anglia Ruskin University and Peterborough Regional College).

I am in a position to confirm entry requirements and confirm that we fully support the NCFE Level 3 Applied General Certificate in Business and Enterprise qualification as it will enable learners to progress to higher education.

We confirm that we are happy for this statement of support to be made public and available on the NCFE website alongside the qualification details.

Yours sincerely

Adam Mee
Interim Academic Director for Engagement, Business and Care Academies
Peterborough Regional College
