Enterprise  
QN: 601/2647/4**

## Qualification content, structure and outcomes

This qualification provides transferable skills, knowledge and understanding that can be applied in any business setting. The units in Group A are aligned to National Occupational Standards for business and represent the core attributes required by employers in a range of business settings. The units in Group B specialise in Enterprise.

This qualification aims to provide you with:

- an understanding of the essential skills required in a business environment
- the skills, knowledge and resources required to set up a new business
- the skills required to solve problems in a business environment
- an understanding of business culture and responsibilities
- the ability to successfully communicate and work with others in a business environment
- the opportunity to develop the skills required to manage and improve your performance in a business environment.

The qualification is not competence based; however, you may be assessed using simulation via a realistic working environment, to reflect a real work setting. You will need to create a portfolio of evidence which will be internally assessed and externally moderated.

The qualification is a Level 3 Diploma and has 540-570 guided learning hours and 90 credits.
