

Fees for the T Level Technical Qualifications (Level 3) (delivered by NCFE)

To support T Level¹ eligible approved providers we are committed to providing you with the fees as early as possible to help you with your planning and delivery of the T Levels (Level 3). We will be transparent in sharing exactly what we charge and what you get in return to make the process open and easy to understand. We endeavour to ensure that all of our qualification prices are competitive in the market and that they reflect the level of quality and rigor of our products, and the service that you receive. The fees listed in this document are applicable from 1 August 2022 and are correct at the time of issue.

Technical Qualification Fees

The qualification fee includes the registration and first assessment fee for your learner, the Qualification Specification to support delivery, and your external quality assurance support package.
